## PETITION FOR COURSE UNDERLOAD/PART-TIME STUDENT STATUS

This petition must be completed in order to receive permission to enroll in less than twelve (12) credits in any one semester. *A student must be enrolled in at least twelve (12) credits to be considered a full-time student.* Part-time students may not live in the residence halls or participate in intercollegiate athletics without permission. **Part-time status may also affect financial aid; students receiving any type of aid should contact the Financial Aid Office before declaring part-time status.** It is expected that students who take a course underload in a semester will have discussed that decision with those persons who are financially responsible for their education since doing so may have affect satisfactory progress toward a degree.
